OUTDOOR SPACES & BUILDINGS

STRATEGIES

1

PARKS & PROGRAMMING

Establish Safe Parks and Programs that meet Age-Friendly Park standards through proximity, standards, and promotion.

2

AGE-FRIENDLY BUSINESSES

Increase the number of age-friendly businesses in Miami-Dade County through toolkit promotion and outreach.

3

PLACEMAKING

Improve the sense of place, comfort, and interconnectedness of communities by promoting age-friendly amenities and events, as well as connectivity between public spaces and neighborhoods.

TRANSPORTATION STRATEGIES

1

ACTIVE TRANSPORTATION & SAFE STREETS

Advocate and implement streets that are safe for all modes, users and mobility.

2

Motorized & On-demand transportation

Ensure older adults have the opportunity to safely drive as well as have knowledge of and access to on-demand transportation services.

3

Access and Quality of transit infrastructure

Ensure that older adults have knowledge of resources for transit and how to use it, as well as have better access to quality transit stops.

HOUSING

STRATEGIES

1

AFFORDABILITY

Provide affordable housing options and availability to older adults through education, policy, and an increase in affordable options.

2

ACCESSIBILITY & ADAPTABILITY

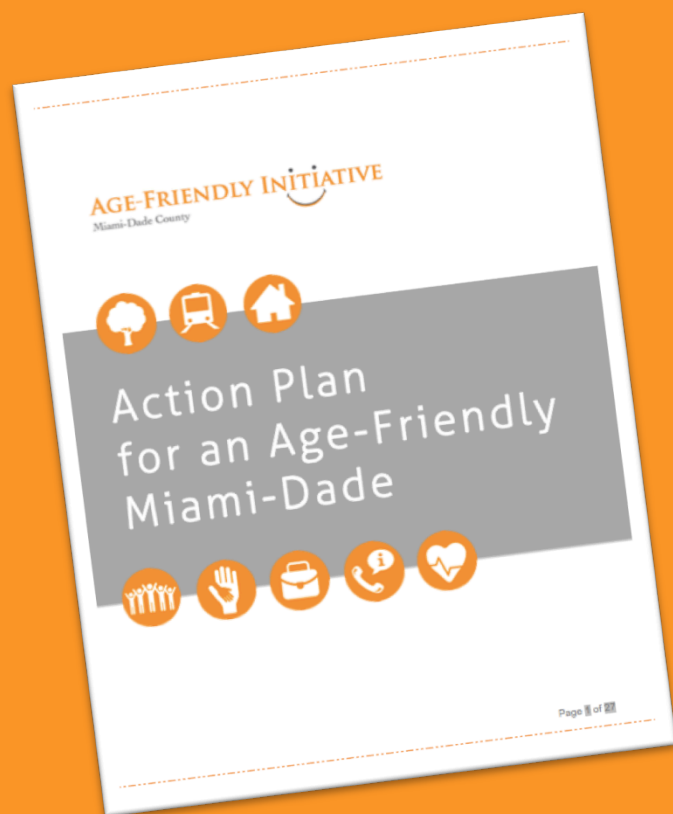

Ensure that older adults are able to live in homes that are accessible or able to be modified and adaptable to their needs.

3

PROGRAMS & SERVICES

Ensure that services and programs meet the housing needs of older adults.
