Cutler Bay Mission Statement

Incorporated in 2005, the Town of Cutler Bay is the youngest municipality in Miami-Dade County. The Town Council's mission is to "work to make Cutler Bay an excellent place to live, work and play. Cutler Bay's government will be creative, responsible and respectful in providing innovative and cost effective services to the community". (Town Resolution #12-64)

Joins the CFAL Initiative

Cutler Bay joined the State's Communities for a Lifetime Initiative in April 2010 (Town Resolution #10-21) and established the Cutler Bay Communities for a Lifetime Committee. The Committee consists of five (5) Town residents. Councilmember Sue Ellen Loyzelle serves as the council liaison.

Joins the AARP Network of Livable Communities

In March 2016, the Town became the *first* municipality in South Florida to join the AARP Network of Age-Friendly Communities; reaffirming the Town's commitment to actively work toward making Cutler Bay a livable community. One that is safe and secure, has affordable and appropriate diverse housing and transportation options, and supportive community features and services (Town Resolution #16-10).
