

MAYOR'S INITIATIVE ON AGING

Together with public and private partners, Mayor Carlos A. Gimenez is advocating for some of the most vulnerable members of our community and making a difference in their lives.

The Mayor's Initiative on Aging provides resources and information on programs and activities for seniors throughout the County.

The initiative assists in coordinating educational forums for elders and professionals, health and fitness fairs to promote wellness and safety among older adults, hurricane preparedness education and kit distribution. As well as many other initiatives that affect the lives of our seniors.
